You won't be joining us for the high salary (because it isn't) but if you want to work with a dedicated team who are all passionate about housing justice, then this could be the job for you. You will be helping to set up our new office in Hereford city. You will grab this Hereford bull by the horns, helping to forge a new team, in a new area for this nationally respected charity. We are a highly flexible employer, and encourage independent working.

You must be a qualified Solicitor with at least 5 years' solid experience in Housing Law. You will have excellent organisational and client care skills and be able to work with minimal supervision, meeting tight deadlines and maintaining high levels of accuracy. You will be IT literate, self-servicing and have a good working knowledge of Legal Aid processes. You will be able to contribute to the growth and development of Advice for Renters' services in Herefordshire. It is expected that additional funding will be raised to offer full time employment and permanency, and to broaden our reach within the West Midlands. Infrequent travel to London may be necessary. Ideally you meet the LAA housing supervisor standard.

If you'd like to talk to our CEO Joe Cole or Ronald Daley, Head of our Housing Advice Centre, please call 020 3841 6930 to book a telephone appointment.
