Vacancy – Family Solicitor (Childcare team)

Hopkin Murray Beskine is looking for a solicitor with 3 or more years PQE to join our successful childcare team. We are a long established North London firm with clients from across London and beyond, who come to us because of our reputation and expertise. We are specialists in family, housing and public law and have a thriving legal aid practice.

We wish to expand our childcare team. We are looking for a member of the Children Panel, or an aspiring member close to accreditation, with excellent advocacy skills and a willingness to be part of and contribute to a team. Our childcare solicitors act for children, parents and other relatives in care proceedings and there is scope for acting for children in private law proceedings. More information about the post is available in the application pack.

HMB has been proud to provide the best quality legal aid services for over 25 years across a range of legal disciplines, and a commitment to legal aid is still at the heart of our firm. Our childcare solicitors work closely with our private law family team, who deal with private contact and residence disputes as well as international child abduction and privately funded financial remedy cases. The team also liaises closely with our public law and housing teams, who often refer clients and provide assistance with homelessness and housing issues.

We offer a collaborative workplace that is easily accessible from across London and beyond. The demand for our services far outstrips our supply. You will be supported by paralegals, trainees and excellent administrative staff.

Salary commensurate with experience.

Closing date: 12 noon on 12th March 2020

Please note that we will be holding interviews for shortlisted applicants on 25th March 2020.
