About Us

Luton Law Centre was formed in 1989. Since then, we have been providing members of the local community with specialist legal advice. We are a small team of committed and passionate social welfare lawyers and caseworkers and are part of the Law Centre Network, which as a movement specialises in providing advice, casework and representation to the most disadvantaged members in the community.

We run a wide range of Immigration and Asylum cases covered by Legal Aid, as well as fixed fee immigration advice and casework. Our Immigration Solicitors also provide advice through our specialist telephone advice line on a rota basis.

We are also taking part in the EU Settled Status Complex Cases Project. Further details are on our website.
