

Osbornes Law is recruiting:

- (i) two full-time qualified solicitors with experience in any of the following areas: housing, community care, public law, and/or welfare benefits; and
- (ii) a full-time paralegal with experience of legal aid costing

to join their expanding and award winning Housing & Social Care Team.

In respect of the solicitor roles, experience in all four practice areas is preferable but not a requirement. The roles will provide an exciting opportunity for the successful solicitors to handle a diverse case load.

Applications from solicitors of 0 to 5 years' PQE will be considered.

The successful solicitor candidates will be given responsibility over their caseloads from the outset and are expected to have good knowledge of the law, current policies and legal aid. The successful candidates will also be supported by a close team of colleagues within an open plan office.

The successful paralegal candidate will gain valuable experience in costing for a variety of legal aid areas. This role may lead to opportunities to progress within the firm and to run their own caseload.

Salaries are highly competitive and benefits include flexible working and significant opportunities for learning and personal development.

Osbornes Law is a leading firm ranked in Legal 500 and Chambers & Partners based in Camden Town. The Housing & Social Care team is known for its diverse legal aid practice and commitment to their clients. Two solicitors in the department were recognised as Legal Aid Lawyer of the Year 2019 in the Social & Welfare and Children's Rights categories respectively. The team are not afraid to take on complex and difficult legal challenges to help their clients, and would welcome two dedicated solicitors who are interested in a varied and rewarding role to join the team.
